This year, the City of Frisco, was selected to host the 45th Anniversary Reunion of the **National Organization of former Vietnam POWs Return to Freedom**, which is a five day event from August 15 to 19, 2018. Please help us celebrate their release by the North Vietnamese communists in 1973.

On behalf of the Vietnamese Community please join me on Thursday August 16, 2018 for a once in a life time opportunity to come out and have lunch with our heroes from across this great nation and to say thank you for all they have done for our Country and for the Republic of Vietnam.

Forty-five years ago these American POW's, averaging more than 5 years in captivity, were released from the horrific conditions in Vietnam. Their membership includes men who served in the Air Force, Navy, Marines, and Army. Today, only 458 remain alive out of the original 662 Southeast Asia military POWs. Over 132 POWs and their families have registered for this amazing event.

Sincerely,

Tanner T. Do
